## **ANTI-DUMPING INVESTIGATION No. AD0012**

Anti-dumping investigation on aluminium extrusions originating in the People's Republic of China

### **Note to the file**

#### **Note to interested parties and contributors about the facilitation visit conducted by the TRA to Hydro Aluminium UK**

The TRA conducted a facilitation visit to a Hydro Aluminium UK production facility in Cheltenham from 29 June 2021 to 30 June 2021. The purpose of the visit was to facilitate the progress of the investigation, particularly to increase the TRA's understanding of the production process including any potential vertical integration so that the appropriate information is requested in the questionnaires.

The TRA will send out a request for parties to complete questionnaires the week commencing 12 July 2021.
