ANTI-DUMPING INVESTIGATION No. AD0012

Anti-dumping investigation in respect of aluminium extrusions imported into the United Kingdom originating in the People's Republic of China

Note to the file

Note to interested parties and contributors that the TRA is intending to make a Provisional Affirmative Determination (PAD).

This note is published to the public file to notify parties that the TRA is intending to make a PAD in respect of this investigation and may also make a recommendation to the Secretary of State for International Trade (the Secretary of State) to require a guarantee from importers of relevant goods.

As set out in the [Notice of Initiation](#) the TRA has the discretion to make a PAD as part of its anti-dumping investigation. The TRA has been granted this discretion by virtue of paragraph 11 of schedule 4 to the Taxation (Cross-Border Trade) Act 2018 (TCBTA).

The TRA also has the discretion, under paragraph 13 of Schedule 4 of the TCBTA, to recommend to the Secretary of State that a guarantee be required from importers of relevant goods.

Further guidance in respect of our investigations process can be found [here](#).

The TRA is inviting parties to provide comment before the PAD is made via the [Trade Remedies Service](#) or by email to AD0012@traderemedies.gov.uk.
