### ANTI-DUMPING INVESTIGATION No. AD0012

Anti-dumping investigation on aluminium extrusions originating in the People's Republic of China

#### Comments on the investigation for anti-dumping of aluminium extrusions originating in China, made by Press Metal International Ltd.

The Trade Remedies Authority (TRA) acknowledges receipt of the comments made by Press Metal International Limited concerning the initiation of the anti-dumping case AD0012, sent to us on 18 August 2021.

The TRA's decision to initiate this investigation was based on evidence provided by the applicant in the confidential version of their application. A [non-confidential](#) version of the application is available on the Trade Remedies Service website.

The circumstances which would require or allow the TRA to terminate this investigation, as set out in the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019, have not been met.

As with all submissions from interested parties and contributors, we will consider these comments as evidence as we progress the investigation. All registered parties are encouraged to provide any comments on the Trade Remedies Service.

Any specific questions can be directed to the case team at [AD0012@traderemedies.gov.uk](mailto:AD0012@traderemedies.gov.uk)
