### **ANTI-DUMPING INVESTIGATION No. AD0012**

Anti-dumping investigation on aluminium extrusions originating in the People's Republic of China

#### **Notice to interested parties and contributors regarding a time extension granted for submission of questionnaire response**

The Trade Remedies Authority received an application for an extension of time from Senior Architectural Systems Ltd on 23rd August 2021, to submit their questionnaire response because of delays caused by annual leave.

Having considered their application, the TRA has determined that granting an extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

<b>Company Name</b>	<b>New due date for completed questionnaire response</b>
Senior Architectural Systems Ltd	3 <sup>rd</sup> September 2021
