ANTI-DUMPING INVESTIGATION No. AD0012

Anti-dumping investigation on aluminium extrusions originating in the People's Republic of China

Notice to interested parties and contributors regarding a time extension granted for submission of questionnaire response

The Trade Remedies Authority received an application for an extension of time from Guangdong JMA Aluminium Profile Factory (Group) Co., Ltd., Foshan JMA Aluminium Co., Ltd and JMA (HK) Company Limited (collectively "JMA Companies") on 5 August 2021, to submit their questionnaire response due to resource and time requirements to collect large volumes of data across multiple associated companies, whilst ensuring accurate translations of information between languages.

Having considered their application, the TRA has determined that granting an extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

| Company Name | New due date for completed questionnaire response |
|---|---|
| Guangdong JMA Aluminium Profile Factory (Group) Co., Ltd., Foshan JMA Aluminium Co., Ltd and JMA (HK) Company Limited | 03/09/21 |
