#### Notice to interested parties and contributors regarding a time extension granted for submission of questionnaire response

The Trade Remedies Authority received an application for an extension of time from Hydro Aluminium UK LTD on 18<sup>th</sup> August 2021, for an extension of time to submit their questionnaire response to enable them to fully complete the questionnaire.

Having considered their application, the TRA has determined that granting an extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension:
