ANTI-DUMPING INVESTIGATION No. AD0012

Anti-dumping investigation on aluminium extrusions originating in the People's Republic of China

Notice to interested parties and contributors regarding a time extension granted for submission of questionnaire response

The Trade Remedies Authority received an application for an extension of time from Garner Aluminium Extrusions LTD on 18th August 2021, for an extension of time to submit their questionnaire response because of resource constraints during holiday period.

Having considered their application, the TRA has determined that granting an extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension:

Company Name	New due date for completed questionnaire response
Garner Aluminium Extrusions LTD	3 rd September 2021
