Note to the public file summarising time extensions granted for submission of questionnaire response

NEW SUBSIDY INVESTIGATION No. AS0020ⁱ

New subsidy investigation on Ironing Boards originating in Republic of Turkey

The Trade Remedies Authority (TRA) received applications for an extension of time to submit questionnaire responses.

Having considered their applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
UK producer	Resource constraints have had an impact in their ability to complete questionnaire response on time	6 July 2022
Milenyum Metal dış Ticaret ve Sanayi Anonim Sirketi	Resource constraints have had an impact in their ability to complete questionnaire response on time	8 July 2022
The Government of Turkey	Resource constraints have had an impact in their ability to complete questionnaire response on time	8 July 2022
Dogrular ev Urunleri A.S.	The party needs more time to complete the questionnaire	8 July 2022
