## Instructions

### I – Who should complete this form?

You should complete this form if you would like to register your interest in this case.

### II – Note about confidentiality

You will need to submit one confidential version and one non-confidential version of this document. Please ensure that each page of information you provide is clearly marked as either “Confidential” or “Non-Confidential” in the header. It is your responsibility to ensure that the non-confidential version does not contain any confidential information.

Please see <https://www.gov.uk/government/publications/the-uk-trade-remedies-investigations-process/an-introduction-to-our-investigations-process#how-we-handle-confidential-information> for further information on what can be considered confidential and how to prepare a non-confidential version of this document.

All information provided to the Trade Remedies Authority (TRA) in confidence will be treated accordingly and only used for this investigation (except in limited circumstance as permitted by regulation 17 of the Trade Remedies (Increase in Imports Causing Serious Injury to UK Producers) (EU Exit) Regulations 2019) and will be stored in protected systems. The non-confidential version of your submission will be placed on the public file, which is available on [www.trade-remedies.service.gov.uk/public/cases](http://www.trade-remedies.service.gov.uk/public/cases).

## Section A – Your organisation’s interest in the case

To register your organisation’s interest in this case, please complete the text boxes below. You should use this form if you are an interested party or contributor including foreign government. For a definition of **goods subject to review**, please refer to the Notice of Initiation.

Please describe your role with regards to the goods subject to review:

*Tata Steel UK (TSUK) is a major domestic producer of a number of product categories subject to the safeguard measures.*

Please describe your interest in this case:

*Any changes in the tariff-rate quotas may have a direct impact on TSUK’s operations. TSUK is the major producer of product category 1 (hot-rolled flat steel products) for which Russia has an individual tariff-rate quota. Reallocation of Russia’s individual tariff-rate quota will have an impact on the UK steel market generally and will affect TSUK.*

## Section B – Additional information

Use the box at the end of this section to provide any other relevant information which you think would be useful to help our investigation.

*TSUK reserves its right to provide written comments in the framework of this review.*
