

Note to File: Case TD0001

UK Steel submitted and extension request to the deadline to make submissions regarding the Statement of Essential Facts on 11 June 2021. The original request was for an extension until 15/08/2021. We informed on the same day that this date was requested in error. UK Steel submitted a request on the same day for an extension to 23:59 on the 14/06/2021 (see request on public file).
