

TRANSITION REVIEW No.TD0001

Anti-dumping duties on certain welded tubes and pipes, of iron or non-alloy steel originating in the Republic of Belarus, the People's Republic of China and the Russian Federation.

Note to the file

The Secretary of State for International Trade (the Secretary of State) has received a submission from Chinese producer Tianjin Youfa International Trade Co. Ltd, outlining difficulties they are experiencing in participating fully in the transition review due to the global impact of COVID-19. A one-month extension to the questionnaire response period has been requested.

Having considered the request, the Secretary of State has determined that granting the extension would not significantly impede the progress of the transition review. The request for a one-month extension has been agreed and the new deadline is 27 May 2020.
