

TRANSITION REVIEW No.TD0001

Anti-dumping duties on certain welded tubes and pipes, of iron or non-alloy steel originating in the Republic of Belarus, the People's Republic of China and the Russian Federation.

Facilitation visit note:

A facilitation visit was carried out by members of the Trade Remedies Investigation Directorate (TRID) investigation team to TATA Steel UK premises in Corby on 3 March 2020.

Members of TRID attended a guided mill tour, followed by a meeting with representatives from TATA STEEL UK Ltd and MAKE UK .

The following matters were discussed during this visit:

- Production process of the like goods and product characteristics.
- Market overview of the like goods and the goods subject to review.
- Overview of the Product Control Numbers (PCNs) used in the European Commission's expiry review R713.
- Overview of finance systems.

The facilitation visit was requested by members of TRID.
