### **Note to the file**

Deficiency notices were issued to JSC "Mogilev Metallurgical Works" (MGM) on 15 May 2020 regarding their questionnaire response. The deficient information was requested by 22 May 2020.

The Secretary of State for International Trade (the Secretary of State) has received a submission from MGM's representatives outlining difficulties they are experiencing supplying this information by the requested date due to the global impact of COVID-19 and the nature of the information requested. A one month extension to the questionnaire response period has been requested.

Having considered the request the Secretary of State has determined that granting the extension would not significantly impede the progress of the investigation. The request for a one-month extension has been agreed, the new deadline is 19<sup>th</sup> June 2020.
