Notice to interested parties regarding a time extension to complete a questionnaire

The Secretary of State for International Trade ('the Secretary of State') has received an application for an extension of time to submit the questionnaire response from Silvery Dragon Prestressed Materials Co., Ltd. Tianjin, because of the current effects of COVID-19 and the national holiday period that is soon to start.

Having considered their application, the Secretary of State has determined that granting an extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	New due date for completed questionnaire response
Silvery Dragon Prestressed Materials Co., Ltd. Tianjin	1 st November 2020
