TRANSITION REVIEW No. TD0003

Anti-dumping duty on certain pre- and post-stressing wires and wire strands of non-alloy steel (PSC wires and strands) originating in the People's Republic of China

Note to the file

Notice to interested parties and contributors on withdrawal of UK producer interest in maintaining the current measure.

The Secretary of State for International Trade ('the Secretary of State') received confirmation from the UK producer on 27 January 2021 that the UK Industry no longer has an interest in maintaining the measure related to this transition review.

If you are an interested party or contributor to the case and you have any comments or questions about this, please contact the case team on TD0003@traderemedies.gov.uk by **19 February 2021**.

We will then publish a revised timeline for the case and interested parties and contributors will be contacted concerning next steps
