

Extensions - Note to Public File

Note to the public file summarising time extensions granted for submission of questionnaires

The Secretary of State for International Trade ('the Secretary of State') received applications for an extension of time to submit questionnaires.

Having considered their applications, the Secretary of State has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Greenenergy	Increased COVID-19 safety measures implemented in the U.K has made obtaining information for the questionnaire more difficult	Sunday 15 th November 2020
Olleco	Increased COVID-19 safety measures implemented in the U.K has made obtaining information for the questionnaire more difficult, along with staffing pressures	Sunday 22 nd November
Marstons	Staff change within company has caused delay	Friday 13 th November 2020
