

## Extensions - Note to Public File

### Note to the public file summarising time extensions granted for submission of questionnaires.

The Secretary of State for International Trade ('the Secretary of State') received applications for an extension of time to submit questionnaires.

Having considered their applications, the Secretary of State has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Renewable Transport Fuel Association	A lack of staff resource has made obtaining information for the questionnaire more difficult	Sunday 22 November 2020
Diamond Green Diesel	A lack of staff resource has made obtaining information for the questionnaire more difficult	Sunday 22 November 2020
Valero Energy	A lack of staff resource has made obtaining information for the questionnaire more difficult	Sunday 22 November 2020
