

Extension - Note to Public File

Note to the public file summarising time extensions granted for submission response to Statement of Essential facts

The Trade Remedies Authority (TRA) received an application for an extension of time to submit a response to the Statement of Essential Facts.

Having considered the application, the TRA has determined that granting this extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
Olleco	Reduced personnel capacity over festive period and due to COVID-19 Safety Measures currently in force.	Friday 21 January 2022
