### Note to the file

#### Notice to interested parties regarding a time extension to complete a questionnaire

The Secretary of State for International Trade ('the Secretary of State') has received an application for an extension of time to submit the questionnaire response.

Having considered the application for an extension until 31<sup>st</sup> March 2021, whilst an extension will be given, the Secretary of State is unable to grant the requested date. This is because of the Secretary of State's assessment of the impact of the requested date of extension upon the case timeline. The new deadline for the following party to submit the completed questionnaire response is advised below:

Company Name	New due date for completed questionnaire response
British Steel Limited	26 February 2021
