Notice to interested parties regarding a time extension to complete a questionnaire

The Secretary of State for International Trade ('the Secretary of State') has received applications for further extensions of time to submit the questionnaire response.

Having considered the applications, the Secretary of State has determined that granting these further extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

CELSA Steel (UK) Limited	5 March 2021
British Steel Limited	12 March 2021
