

UK Steel Request for Meeting with TRA

Agenda

- Legal considerations around Economic Interest Test
- Concerns around implications for other cases in terms of precedent setting
- Steel market structure in the UK
- Assessment of competitive environment
- Role of safeguards
- Supply and demand dynamics
- Environmental considerations

Explanation for requesting a meeting

UK Steel is requesting a meeting in order to address key points in the TRA's Statement of Essential Facts, particularly in relation to the Economic Interest Test. The purpose is to ensure that main points of UK Steel's written submission are well understood and to provide industry context.
