

TRANSITION ANTI-DUMPING REVIEW No. TD0011

Cold rolled flat steel

Note to the file

Note to interested parties and contributors

This note to the file reports a meeting between members of the Trade Remedies Authority's (TRA) investigations team, with representatives from UK Steel/EEF and Tata Steel UK (TSUK).

This meeting took place at the request of UK Steel/EEF on 14 December 2021.

UK Steel/EEF wished to discuss the commercial background from a steel industry perspective in relation to UK Steel/EEF submissions to the review.

Parties to the meeting were informed that any information that is material to the investigation must be submitted in writing and placed on the public file (other than confidential information)¹.

Further information

You can find more information about our investigations processes in our online trade remedies guidance: <https://www.gov.uk/government/publications/the-uk-traderemedies-investigations-process>
