## Extensions – Note to Public File

**Note to the public file summarising time extensions granted for submission of the Questionnaire.**

The Trade Remedies Authority (TRA) received an application for an extension of time to submit the Questionnaire.

Having considered their application, the TRA has determined that granting this extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

| <b>Company name</b> | <b>Reason for granting extension</b>   | <b>New due date for completed Questionnaire response</b> |
|---------------------|--|--|
| PAO Severstal       | New COVID-19 restrictions in the Russian Federation, and several other anti-dumping proceedings with the EU Commission that PAO Severstal is participating in. | 26 July 2021   |
