**Anti-dumping proceeding concerning certain cold rolled flat steel products
from the People’s Republic of China and the Russian Federation**

General request for information

Dear [point of contact for PAO Severstal],

Thank you for cooperating with the verification of PAO Severstal’s questionnaire submission.

The Trade Remedies Authority (TRA) is now conducting assessments for this transition review and has identified certain information that may assist these assessments. The TRA requests that you please provide:

1. The most recent figures to show the annual output of PAO Severstal's furnaces **specified by steel type** (i.e., alloy, non-alloy, stainless) for both production capacity and volume; and
2. Bills of lading that show the **distances of rail freight** (in kilometres) for the following sampled transactions:

Sales Invoice Number	Customer
[sales invoice number]	[customer]
[sales invoice number]	[customer]
[sales invoice number]	[customer]
[sales invoice number]	[customer]
[sales invoice number]	[customer]

The TRA requests that you please provide the requested information in the form of official documentation or submit sufficient source documentation in support of the figures you provide.

Please submit your response by **Friday, 17 December 2021** by uploading it to the online Trade Remedies Service (TRS).

Please also submit a non-confidential version for each document you upload, including non-confidential ranges of figures and summaries of confidential information where possible. In exceptional circumstances, you may find it impossible to summarise confidential information. If this happens, please provide a 'statement of reasons' describing why you have not done so. If you need any help or guidance on the subject of confidential information, please refer to <https://www.gov.uk/government/publications/the-uk-trade-remedies-investigations-process/an-introduction-to-our-investigations-process#how-we-handle-confidential-information> or contact us at TD0011@traderemedies.gov.uk.

Best wishes,
[TRA employee]
