Extensions – Note to Public File

Note to the public file summarising time extensions granted for submission of the Questionnaire.

The Trade Remedies Authority (TRA) received an application for an extension of time to submit the Questionnaire.

Having considered their application, the TRA has determined that granting this extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed Questionnaire response
Tata Steel UK Ltd	Multiple deadlines across live cases in which Tata Steel UK Ltd is participating.	28 July 2021
