Section B – Additional information

Use the box at the end of this section to provide any other relevant information which you think would be useful to help our investigation.

This may include:

- other parties you believe should receive a questionnaire;
- any initial views you have about the possible existence of a particular market situation in the domestic market of the People's Republic of China such as:
 - situations/distortions in the domestic market of the exporting country where prices are artificially low;
 - significant barter trade;
 - prices reflect non-commercial factors; or
 - any other reasonwhich means it is not appropriate to use the comparable price to determine the normal value of the like goods;
- any initial concerns you have about the scope of the investigation; and/or
- anything else you consider relevant.
