Instructions

I – Note about confidentiality

You will need to submit one confidential version and one non-confidential version of this document. Please ensure that each page of information you provide is clearly marked either “Confidential” or “Non-Confidential” in the header. It is your responsibility to ensure that the non-confidential version does not contain any confidential information.

Please see <https://www.gov.uk/government/publications/the-uk-trade-remedies-investigations-process/an-introduction-to-our-investigations-process#how-we-handle-confidential-information> for further information on what can be considered confidential and how to prepare a non-confidential version of this document.

All information provided to the Trade Remedies Authority (TRA) in confidence will be treated accordingly and only used for this investigation (except in limited circumstance as permitted by regulation 46 of the Trade Remedies (Dumping and Subsidisation) (EU Exit) Regulations 2019) and will be stored in protected systems. The non-confidential version of your submission will be placed on the public file, which is available on www.trade-remedies.service.gov.uk/public/cases.

Section A – Your organisation's interest in the case

To register your organisation's interest in this case, please complete the text boxes below. You should use this form if you are not a producer, importer or exporter of the goods subject to review or like goods. For a definition of goods subject to review/like goods, please refer to the Notice of Initiation.

Please describe the role of your organisation with regards to the goods subject to review or the like goods:

Siemens Gamesa Renewable Energy (SGRE) is a provider of wind power products and service solutions – we develop, produce, sell, install and service onshore and offshore wind turbine generators (WTGs).

Please describe your interest in this case:

As one of the biggest producers of WTGs in Europe and the UK, the products under investigation are an essential component of the WTG tower section.

Section B – Additional information

Use the box at the end of this section to provide any other relevant information which you think would be useful to help our investigation.

This may include:

- other parties you believe should receive a questionnaire;
- any initial views you have about the possible existence of a particular market situation in the domestic market of the exporting country or territory such as:
 - situations/distortions in the domestic market of the exporting country where prices are artificially low;
 - significant barter trade;
 - prices reflect non-commercial factors; or
 - any other reasonwhich means it is not appropriate to use the comparable price to determine the normal value of the goods subject to review;
- the scope of the investigation including any differences between the like goods and the goods subject to review; or
- anything else you consider relevant.
