

## Extensions - Note to Public File

### Note to the public file summarising time extensions granted for submission of Questionnaire

The Trade Remedies Authority (TRA) has received an application for an extension of time to submit Questionnaires.

Having considered the application, the TRA has determined that granting the extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
Tata Steel UK Limited (TSUK)	TSUK is engaged in a separate trade remedies review which involves the same TSUK accountancy and legal personnel which has reduced the capacity to finalise the questionnaires.	11 July 2022
