# Registration Period - Note to Public File

## TRANSITION REVIEW No.TD0026

### Note to the public file regarding the Registration Period

Having considered the national holidays in Ukraine and Iran (28 June 2022 and 10 July 2022 respectively), the TRA has determined that an extended registration period would not significantly impede the progress of the investigation. The TRA has therefore set the deadline for registration as 11 July 2022.
