Note to the public file summarising time extension granted for submission of Questionnaire

The Trade Remedies Authority (TRA) has received an application for an extension of time to submit a questionnaire.

Having considered the application, the TRA has determined that granting the extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	Reason for granting extension	New due date for completed questionnaire response
UK Steel (EEF Limited)	A full response requires input from producers (not yet received)	25 September 2022
