

## **TRANSITION REVIEW No. TF0006**

Safeguard measure on certain steel products

### **Note to the file**

#### **Note to interested parties and contributors**

**Attendees:**

Ministry of Trade, Energy and Industry and Ministry of Foreign Affairs, South Korea

As part of the called in steel safeguard reconsideration, policy officials from the Department for International offered multiple roundtables and discussions to registered interested parties allowing them to express their views on the UK's steel safeguard. On 27 May 2022, policy officials met with government representatives from South Korea.

As part of the discussion, the government representatives indicated difficulties in relation to several categories of certain steel products. They also flagged the challenges South Korea faced including on quota tariffs and the supply and demand of certain products.
