

## **TRANSITION REVIEW No. TF0006**

Safeguard measure on certain steel products

### **Note to the file**

#### **Note to interested parties and contributors**

**Attendees:**

European Commission

As part of the called in steel safeguard reconsideration, officials from the Department for International Trade offered multiple roundtables and discussions to registered interested parties allowing them to express their views on the UK's steel safeguard. On 25 May 2022, DIT officials met with representatives from the European Commission.

The European Commission expressed concern about the split of category 12 the issues this had caused to EU exporters due to inconsistent classification practices.
