Safeguard measure on certain steel products

Note to the file

Note to interested parties and contributors

Attendee:

Ministry of the Economy, Brazil

As part of the called in steel safeguard reconsideration, officials from the Department for International Trade offered multiple roundtables and discussions to registered interested parties allowing them to express their views on the UK's steel safeguard. On 24 May 2022, DIT officials met with representatives from the Government of Brazil.

The representatives stated that the application of the steel safeguard measure had resulted in a substantial decrease of imports from Brazil and that they should be exempted from the relevant product categories.
