

TRANSITION REVIEW No. TF0006

Safeguard measures on certain steel products

Note to interested parties regarding a time extension to complete a questionnaire

The Secretary of State for International Trade ('the Secretary of State') has received applications for extension of time to submit the questionnaire response.

Having considered the applications, the Secretary of State has determined that granting these extensions would not significantly impede the progress of the transition review and has therefore decided to grant extensions to the following parties:

Company name	New due date for completed questionnaire response
British Stainless Steel Association	18 December 2020
UK Steel	18 December 2020
