This indicative timetable is not legally binding. We may need to deviate from the timeline below if the circumstances of the case so demand.

Milestone	Date
Initiation	7 September 2021
Deadline for submitting information	11 January 2022
Deadline for responding to submitted information	TBC
Authentication	TBC if required
Publication of reconsidered decision	April 2022 - May 2022

Notes

On 20 December 2021 we published a [Case Timeline](#) to the public file. We set a deadline of 11 January 2022 for Interested Parties to submit information by, and a further deadline of 1 February 2022 for Interested Parties to respond to submitted information from others. Following an initial review of all information submitted by 11 January the Case Team are suspending the deadline of 1 February 2022. This will allow the Case Team the opportunity to undertake the necessary procedural checks of the information submitted before publishing to the public file. On publication to the public file, a new deadline will be provided for Interested Parties to respond to submitted information from others.
