

RECONSIDERATION OF AN ORIGINAL DECISION IN TRANSITION REVIEW No. TF0006

Safeguard measures on certain steel products

Note to Public File – External timeline update 2

The following is an indicative timetable for interested parties in case TF0006.

This indicative timetable is not legally binding. We may need to deviate from the timeline below if the circumstances of the case so demand.

Milestone	Date
Initiation	7 September 2021
Deadline for submitting information	11 January 2022
Deadline for responding to submitted information	11 April 2022
Authentication	TBC if required
Provide 'Report of Findings' to the Secretary of State	3 May 2022

Notes

The external timeline has been updated to set a deadline of 11 April 2022 for Interested Parties to respond to submitted information. This deadline allows Interested Parties the opportunity to respond to the submitted information from other Interested Parties which has been published on the TRS. This is not an opportunity to provide new information as the deadline for providing new information was 11 January 2022. Any submission supplied to the Case Team should be via the TRS and consist of an adequate confidential and non-confidential version. Further guidance on confidentiality can be found at the below link.

<https://www.gov.uk/government/publications/the-uk-trade-remedies-investigations-process/an-introduction-to-our-investigations-process#confidential-information-and-non-confidential-summaries>

The external timeline has also been updated to set a deadline of 3 May 2022 for the TRA to provide its Report of Findings to the Secretary of State for International Trade. In line with the [call-in instructions](#) the TRA has received, this milestone has been changed from 'Publication of reconsidered decision' to 'Provide Report of Findings to the Secretary of State'.
