

## TRANSITION REVIEW No. TF0006

Safeguard measures on certain steel products

### **Note to file - Submission of a completed upstream or downstream contributor questionnaire**

TRID is seeking the cooperation of companies that operate upstream or downstream of the supply chain for the steel products subject to review in TF0006. This is in order to inform our review by completing a questionnaire that will help us assess the economic interest of the UK.

The relevant UK upstream and downstream contributor questionnaires and annexes are available on the public file.

Companies interested in completing and submitting a questionnaire should be registered as contributors on the online Trade Remedies Service at <https://www.trade-remedies.service.gov.uk/>. Responses need to be uploaded through the online Trade Remedies Service. The deadline to submit a completed questionnaire response is **28 November 2020**.

### **Further information**

You can find more information about our investigations processes in our online trade remedies guidance: <https://www.gov.uk/government/publications/the-uk-trade-remedies-investigations-process>
