Safeguard measures on certain steel products

Note to interested parties regarding the opportunity to register and participate in discussions with the Department for International Trade

Following the call in of the Steel Safeguard reconsideration, the Department for International Trade is inviting all interested parties to participate in a discussion on the UK's safeguard measure on certain steel products. Provisionally, discussions will be organised for the week commencing 16th May.

To register for a discussion please email traderemedies@trade.gov.uk by the 16th May including:

- Your name
- The company or country you represent
- Your preferred contact details
