RECONSIDERATION OF AN ORIGINAL DECISION IN TRANSITION REVIEW No. TF0006

Safeguard measures on certain steel products

Note to Public File – Publication of HMRC Overseas Trade Statistics

As of 11 November 2021, HMRC has published a notice for corrections to the Overseas Trade Statistics. This coincides with the September 2021 trade statistics publication. The TRA previously provided reference to this publication with a [notice](#) to the public file on 14 October 2021.

<https://www.uktradeinfo.com/news/corrections-to-the-overseas-trade-in-goods-statistics-2015-to-2019/>

The TRA will review the published corrections to the Overseas Trade Statistics and their relevance to the Steel Safeguards Reconsideration Review. The TRA will provide a further notice to the public file in due course once it has concluded its review.
