

Selcoth Fisheries Ltd Confidentiality Summary Document

Document Reference	Redaction Information (summary of confidential information)
Appendix 1	Appendix 1 is the record of live fish movements on and off the rainbow trout production sites of Selcoth Fisheries Ltd. It lists the date of the movement, the number of rainbow trout that were moved and the Scottish Government reference code for the site that the fish stock were moved from and to. It is confidential because it contains commercially sensitive information about how many rainbow trout ova (un-hatched eggs) Selcoth Fisheries Ltd has purchased, and commercially sensitive information about which rainbow trout farms Selcoth Fisheries Ltd has sold and transferred live rainbow trout to and how many rainbow trout it has sold and transferred to.
Appendix 18	Appendix 18 is a Harvest Assessment Sheet which is an internal document used by Selcoth Fisheries Ltd and Dawnfresh Farming Ltd to provide the detail of fish harvested from Selcoth Fisheries Ltd and sold to Dawnfresh Farming Ltd for processing. It is confidential because it contains commercially sensitive information about the pricing of those rainbow trout as well as commercially sensitive details about how Dawnfresh processes and handles their product.
Appendix 21	Appendix 21 is a full workbook containing the description and definition of the main operating procedures conducted by Selcoth Fisheries Ltd such as how we feed and look after our rainbow trout. It is confidential because it contains commercially sensitive details about how rainbow trout are processed and handled at Selcoth Fisheries Ltd including information built up over 40 years of business operation which Selcoth Fisheries Ltd would not necessarily like to be shared with its competitors.
Appendix 22	Appendix 22 provides details of which suppliers Selcoth Fisheries Ltd has used for inputs and services throughout 2019 and how much this has cost. It is confidential because it contains commercially sensitive financial information and supplier details.
Appendix 23	Appendix 23 is a sample invoice providing evidence of the sale of rainbow trout from Selcoth Fisheries Ltd to Dawnfresh Farming Ltd. It is confidential because it contains commercially sensitive financial information and customer details.
Appendix 24	Appendix 24 is a sample invoice providing evidence of the sale of rainbow trout from Selcoth Fisheries Ltd to Dawnfresh Farming Ltd. It is confidential because it contains commercially sensitive financial information and customer details.
Appendix 25	Appendix 25 provides a list of the major infrastructure and specialist equipment investments that Selcoth Fisheries Ltd has made in recent years. It is confidential because it contains commercially sensitive financial information about Selcoth's investments and associated financial borrowing.
Appendix 26	Appendix 26 is the internal employee organisation chart showing the names and job titles of the Selcoth Fisheries Ltd employees. It is commercially sensitive because it discloses the names and job titles of our employees which is not something that is normal business practice.
