

Department for
International Trade

TRANSITION REVIEW No. TS0002

Note to the file

Notice to interested parties regarding a time extension to complete a questionnaire

The Secretary of State for International Trade ('the Secretary of State') has received an application for an extension of time to submit the questionnaire response.

Having considered the application, the Secretary of State has determined that granting an extension would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following party:

Company name	New due date for completed questionnaire response
Özpekler İnşaat Taahhüt Dayanıklı Tüketim Malları Su Ürünleri Sanayi ve Ticaret Limited Şirketi	20 November 2020
