

## Extensions - Note to Public File

### Note to the public file summarising time extensions granted for submission response to Statement of Essential facts

The Trade Remedies Authority (TRA) received applications for an extension of time to submit a response to the Statement of Essential Facts.

Having considered their applications, the TRA has determined that granting certain extensions would not significantly impede the progress of the investigation and has therefore decided to grant extensions to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Road Transport Fuels Association (RTFA)	Reduced staff over festive period and increased pressures due to COVID-19 safety measures implemented in the U.K has made obtaining information for the response more difficult	Friday 21 January 2022
Greenergy Fuels Ltd	Key staff absences over the festive period and increased pressures due to COVID-19 safety measures implemented in the U.K has made obtaining information for the response more difficult	Friday 21 January 2022
