**GENERAL NOTE TO PUBLIC FILE
TRANSITION REVIEWS No.TD0004 and TS0005**

Anti-dumping and countervailing duties on biodiesel originating in the United States of America and consigned from Canada

The Secretary of State has received submissions from multiple interested parties regarding the scope of the goods concerned in this review.

These submissions are now being considered and we are obtaining information through the verification process. We intend to publish the findings in the Statement of Essential Facts. Should further information be required after that point a hearing may be considered.

Please contact TD0004@traderemedies.gov.uk or TS0005@traderemedies.gov.uk if you have any further comments or questions.
