

## Extensions - Note to Public File

### Note to the public file summarising time extensions granted for submission of Questionnaire

The Trade Remedies Authority (TRA) has received applications for an extension of time to submit Questionnaires.

Having considered the applications, the TRA has determined that granting the extensions would not significantly impede the progress of the investigation and has therefore decided to grant an extension to the following parties:

Company name	Reason for granting extension	New due date for completed questionnaire response
Liberty Steel Limited	Resource constraints	22 July 2022
UK Steel (EEF Limited)	Resource constraints and response requires input from producers (not yet received)	22 July 2022
